FMASU MS 61/ 2023

APPROVAL OF STUDY PROTOCOL

Dear Dr : Fatma El-Sayed El-Araby Hassan Abd El-Aal

This is to certify that the Research Ethics Committee at the Faculty of Medicine, Ain Shams University has reviewed your study protocol from the ethical point of view and approves it requiring the following :

1. A progress report every 3 months.
2. A final pre-publication report to inform the Committee of the study results
3. Regular monitoring of the project will be done by a monitoring board described by the FMASU REC
4. This approval is valid for one year till 5/2/2024

Study Title :

Impact of changing sterile gloves at the time of wound closure on surgical site infection in women undergoing elective cesarean section; a prospective randomized controlled clinical trial

Type of Research : MS

Department : OBSTETRICS & GYNAECOLOGY

The FMASU REC is organized and operated according to guidelines of the International Council on Harmonization (ICH) and the Islamic Organization for Medical Sciences (IOMS), the United States Office for Human Research Protections and the United States Code of Federal Regulations and operates under Federal Wide Assurance No. FWA 000017585.

The REC does not declare the names of its members according to the University and the REC's Standard operating Procedures.

Sincerely yours,

Professor Fathy Tash

Chair of the REC
